Symbol v. Intermec, C.A. No. 05-528 (SLR)

Dear Judge Robinson:

We write to update the Court on the parties efforts to resolve their disputes in the above-referenced action. As explained in the parties' September 14, 2005 Stipulated Motion for Extension of Time, the parties agreed to stay this case until December 1, pending settlement discussions. The parties, however, are continuing their discussions, have agreed to engage in non-binding dispute resolution proceedings before a third party and would like to request a further stay of the proceedings before Your Honor. We expect to work out a timeline for those proceedings in the next few days, and will get back to the Court within the next week with a proposal for an additional stay during the proceedings.

We are available if the Court would like to discuss this further.

Respectfully,

/s/ Maryellen Noreika (#3208)

Maryellen Noreika
